2018-2019 WINTER JV TRY-OUTS

FALL SPORT CONFLICT

- Do you participate in a Fall sport but still want to be a part of the Winter JV Cheer team? You can still tryout! We will excuse athletes from cheer when necessary for the remainder of the Fall season so they can finish out their commitment to their current Fall sport.

EXPECTATIONS

ATTENDANCE

- ALL practices, games, and events are MANDATORY. Illness, family emergencies (ie: funerals, etc.), and mandatory school events that are approved by the coach are the only absences from a game, practice or other event that will be allowed. Vacations and jobs will not be considered excused absences and dental, doctor, hair and other appointments must be made after school, outside of practice time. Cheerleading is a large time commitment and families need to be prepared to make that commitment along with their cheerleaders.

ELIGIBILITY

- Cheerleaders are expected to remain academically eligible in accordance with the OSAA's and the Beaverton School District's Eligibility Rules.

CONDUCT

- As a Westview High School Cheerleader, you will represent yourself, your team, your school, and your coaches at all times. Your actions need to reflect that honor.
- Team members will be expected to follow all rules set forth in the Team Constitution. Parents and athletes will need to read and sign that they agree to abide by these rules if they are selected for the team.
- Smoking, drinking, and drug use are grounds for suspension or dismissal in accordance with the Westview High School Athletic Training Rules.
